BIODIVERSITY EXPERIENCE EXPEDITION

APPLICATION FORM PART 2

Name: _____

Please take some time to think about one of your favorite mammals, birds, fish, plants, or insects and why you want to be included in the Biodiversity Experience Expedition. Answer the following questions on this sheet and attach additional sheets if you need to. Submit your answers along with Part 1 of your Biodiversity Experience Expedition application.

1) Please name one of your favorite mammals, birds, fish, plants, or insects near your home.

2) Do you know its Mi'kmaq or Maliseet name – If so, what is it? _____

3) Where does this species live? Describe its natural habitat or environment and give as much detail as you can.

4) What are some things that humans do, which harm or destroy your favourite species' home (e.g. pollution from a nearby factory, cutting down the forest, building a dam)? Describe in as much detail as you can and use specific places or activities which harm your species.
